

# Alone, alone, alone.

My voice now drifts,  
Alone, alone, alone,  
A mistake to be owned by Juno,  
No longer chatty, no longer talkative,  
In a cave of lost souls,

My voice now wonders,  
Alone, alone, alone,  
For trying to help,  
What do I get?  
Sadness bubbles inside of me,

My voice now floats,  
Alone, alone, alone,  
Never to be seen again?  
Will I be missed?  
Will I be forgotten?

My voice now wonders,  
Alone, alone, alone,  
A mistake to be owned by Juno,  
No longer chatty, no longer talkative,  
In a cave of lost souls,  
Because my voice drifts,  
Alone, alone, alone.
